PLEASE JOIN US!

Dear Hockey Coaches, Managers, Captains, Players and Friends:

You, your team and your entire family are invited to join us for the fifth annual **Give Blood Play Hockey Inline Hockey Charity Tournament**—*a serious hockey tournament with a serious purpose!* While teams will be competing on the rinks for their spot on the perpetual trophy—*the Blood Cup*, there's plenty of off-rink fun for the whole family. Proceeds from the weekend long event will benefit the Children's Hospital of Orange County (CHOC); plus we'll be giving the gift of life through your valuable Blood Donations.

This year's tournament will be held October 21st – 23rd, at The 949 Roller Hockey Center in Irvine and will host division teams from Tyke to Adult, Scholastic, Men's and Women's, and beginner through professional.

This year promises to be another great tournament for all teams. Inquiries have been steadily pouring in from across the southland. And Good News! This year's fees are the same as last year's! Your tournament entry fee is tax deductible, and if you register at least two adults to give blood you can apply a \$25 discount to your registration fees. We expect this to be a sold-out event, so please take advantage of early registration and sign-up today! **SPACE IS LIMITED TO 95 TEAMS, SO PLEASE RESPOND IMMEDIATELY BY E-MAIL TO GUARANTEE YOUR SPOT.**

ONLINE REGISTRATION AND PAYMENT NOW AVAILABLE www.tinyurl.com/GBPH-REG-n-PAY

In addition to some competitive hockey, the tournament features fun events for the whole family. You won't want to miss our skills competition, a wheelchair hockey exhibition, rink-side vendors, games and displays all in a carnival-like setting. Attendees can also buy raffle tickets for chances to win donated high-ticket items, hockey equipment; and much, much more! New events and sponsors are being added regularly – if you or your company would like to participate, please contact us.

GIVE BLOOD. GIVE LIFE. It's Hockey With A Heart!

The Bloodmobiles also will be at the event so attendees can give a very special donation of another kind—their blood! Plan to take some of your valuable time while attending and Be A Hero and Give Blood. It doesn't hurt. Honest!

Please review the information included with this packet; it describes the tournament rules, gives details about the format and different levels of play, registration information, and the required paperwork to register your team. It also describes the incredible work being done by our volunteers to help our beneficiary organizations such as CHOC and the children that this event will support.

If you have registration questions, please call us at (714) 330-1602, or send an e-mail to gbph2011@gmail.com. Most importantly, register soon to reserve your space in the most important hockey tournament of the year!

Give Blood Play Hockey Inline Hockey Charity Tournament

Serious Hockey for a Serious Cause

October 21-23, 2011

949 Roller Hockey Center, Irvine, California

The 5th annual Give Blood Play Hockey Inline Hockey Charity Tournament (GBPH) is an Irvine based, family oriented event that will once again draw thousands of hockey players and fans to a weekend long, carnival like atmosphere designed to showcase hockey talent while giving back to the community. Founded in 2007 by then Mater Dei High School senior and hockey player Mary Quayle, this tournament began as a service project motivated by her desire to pay back to the community the blood donated to her late grandfather and pay forward to children and those in need in our community.

To date, the GBPH tournament has collected over 600 pints of life saving blood and donated over \$125,000 to CHOC Children's Hospital with a pledge of \$100,000 to build an Oncology Patient Room in the new wing of the hospital scheduled to open in 2013. We've hosted hundreds of hockey teams, seen some crazy skills in the Skills Competition, and raffled off some amazing prizes including Ducks and Kings tickets, hockey equipment, weekend getaways, helicopter rides and more. We have also had the pleasure of seeing CHOCO Bear, Ryan Getzlaf, Bobby Ryan, and Kyle Chipchura, Wild Wing, the Power Players and other distinguished guests during our first 4 tournaments.

This year we are raising the bar again in our blood donation and fundraising efforts. We will also have the athletes from the Rancho Wheelchair Hockey League playing an exhibition game, will celebrate the continued recovery of one of our own hockey players, Casey Strale, who was diagnosed with cancer during our 3rd tournament and is back playing at the top of his game, and find more ways to pay it forward for all the children served at CHOC Children's Hospital.

ABOUT US

To: The Hockey Community

From: Mary Quayle – Founder of the Give Blood Play Hockey Charity Tournament.

Subject: The 2011 Tournament – Our 5th Year!

Date: Friday, July 15, 2011

It has been five years since we started the Give Blood Play Hockey Charity In-Line Tournament. Since then we have raised over \$130,000 for Children's Hospital of Orange County (CHOC), we've collected nearly 600 pints of blood and we have watched cancer patients' miraculous and sometimes heart wrenching journey as they battle this horrible disease. My name is Mary Quayle and I'm the founder of Give Blood Play Hockey.

Our event started as a simple idea and has grown far larger than we ever could have imagined. In 2010 we had 82 teams battling in 18 different divisions. The over 2000 spectators not only watched some competitive hockey, but were also entertained by skills competitions, wheel chair hockey, dozens of vendors, lots of food and plenty of fun entertainment for the entire family. Give Blood Play Hockey has become one of the largest hockey tournaments on the west coast with over 600 individual players participating in the three day weekend event last year.

This year we have raised the bar again. In our 5th year, we hope to host 95 teams in the tournament. We've added new divisions and events. We are proud to announce the Anaheim Ducks will be promoting the events in radio and television interviews. Players will be they're as well, Wild Wing and the Power Players. There will be lots of fun things going on but most importantly we will surpass the **800 pint mark in our blood drive**, and we hope to reach the **\$200,000** level in total donations to CHOC. It is an exciting time!

With the help of the hockey community, committed volunteers, gracious donors and people like you, we have built the premier hockey event of the year. Won't you please join us as we celebrate our fifth year! You can read all about the tournament and our event at www.givebloodplayhockey.org and Like us on Facebook! Want to get involved, make a donation, be a volunteer and help this awesome event? Email us at GBPH2011@gmail.com

The countdown to October 21st - October 23rd 2011 tournament has begun. We cannot wait to drop the first puck at the 5th Annual Give Blood Play Hockey event. My name is Mary Quayle and **I Give Blood and I Play Hockey.**
